O R D E R

In the Commission's Order of May 30, 1984, General Telephone Company of Kentucky ("GT") was directed to file certain information concerning the billing of Telemarketing Communications, Inc., ("TMC") under its access charge tariff and the division of revenues between GT, South Central Rural Telephone Cooperative ("SCR") and Continental Telephone Company ("CT"). GT's response received June 19, 1984, was insufficient to allow the Commission to make any meaningful determination of the effect of the access charge tariff on TMC or of revenues to be received by SCR and CT.

IT IS THEREFORE ORDERED that GT shall file answers to the questions contained in the Order of May 30, 1984, in sufficient detail to allow comparison of billings and actual division of revenue not later than July 16, 1984.

Done at Frankfort, Kentucky, this 27th day of June, 1984.
